This prospectus supplement is being filed to update and supplement the information contained in the prospectus dated August 24, 2021 (the “Prospectus”), which forms part of our registration statement on Form S-1 (No. 333-258348) with the information contained in our Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “SEC”) on December 17, 2021 (the “Current Report”). Accordingly, we have attached the Current Report to this prospectus supplement.

The Prospectus and this prospectus supplement relate to: (1) the issuance by us of an aggregate of up to 85,750,000 shares of our common stock, par value \$0.0001 per share (“Class A common stock”), consisting of (a) 41,400,000 shares of Class A common stock issuable upon exercise of the Public Warrants, (b) 42,850,000 shares of Class A common stock issuable upon exercise of the Private Placement Warrants and (c) 1,500,000 shares of Class A common stock issuable upon exercise of the Working Capital Warrants, and (2) the offer and sale from time to time by the selling securityholders named in the Prospectus (the “Selling Securityholders”), or their permitted transferees, of (a) up to 1,336,329,949 shares of Class A common stock, consisting of (i) 1,244,157,121 issued and outstanding shares of Class A common stock, (ii) 47,822,828 shares of Class A common stock subject to vesting and/or exercise of the assumed Lucid Equity Awards and (iii) 44,350,000 shares of Class A common stock issuable upon exercise of the Private Placement Warrants and the Working Capital Warrants, and (b) 44,350,000 warrants representing the Private Placement Warrants and the Working Capital Warrants.

This prospectus supplement updates and supplements the information in the Prospectus and is not complete without, and may not be delivered or utilized except in combination with, the Prospectus, including any amendments or supplements thereto. This prospectus supplement should be read in conjunction with the Prospectus and if there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement. Terms used in this prospectus supplement but not defined herein shall have the meanings given to such terms in the Prospectus.

We are an “emerging growth company” as defined in Section 2(a) of the Securities Act and are subject to reduced public company reporting requirements. We expect that we will cease to be an emerging growth company as of December 31, 2021. As of September 30, 2021 our majority stockholder, Ayar, owned approximately 61.8% of our outstanding common stock. As a result, we are a “controlled company” within the meaning of Nasdaq rules and, as a result, qualify for exemptions from certain corporate governance requirements. Ayar also currently has the ability to nominate five of the nine directors to our Board.

You should read the Prospectus, this prospectus supplement and any additional prospectus supplement or amendment carefully before you invest in our securities. Our Class A common stock is listed on The Nasdaq Stock Market LLC under the symbol “LCID”. On December 16, 2021, the closing price of our Class A common stock was \$40.05 per share.

Investing in our Class A common stock and warrants involves a high degree of risk. See the section titled “Risk Factors” beginning on page 8 of the Prospectus.

Neither the SEC nor any other state securities commission has approved or disapproved of these securities or passed on the adequacy or accuracy of the Prospectus or this prospectus supplement. Any representation to the contrary is a criminal offense.
