## Lucid Announces Q1 Production & Deliveries, Sets Date for First Quarter 2026 Results

NEWARK, CA — April 3, 2026 — Lucid Group, Inc. (NASDAQ: LCID), maker of the world’s most advanced software-defined vehicles and technologies, today announced production and delivery totals for the quarter ended March 31, 2026. During this period, the company produced 5,500 vehicles and delivered 3,093 vehicles.<sup>1</sup>

During the quarter, deliveries of the Lucid Gravity were disrupted for 29 days due to a supplier quality issue with the second-row seats. As a result of this, the company’s ability to meet customer demand was impacted. These issues have now been addressed, and the company is reaffirming its previously shared production guidance of 25,000-27,000 vehicles.

Lucid will host a conference call to discuss its first quarter 2026 financial results on Tuesday, May 5, 2026, at 2:30 pm PT / 5:30 pm ET. Prior to the conference call, the company will issue an earnings press release with a link to the live webcast on its investor relations website, <https://ir.lucidmotors.com>.

To enhance engagement with the company’s shareholder base and facilitate connections with its investors, Lucid is partnering with Say Technologies to allow retail and institutional shareholders to submit and upvote questions, a selection of which will be answered by Lucid management during the earnings call.

<sup>1</sup> Lucid’s net income and cash flow results will be announced along with the rest of its financial performance when Lucid announces first quarter earnings. Lucid vehicle production and delivery numbers represent only one measure of the company’s operating performance and should not be relied on as sole indicators of quarterly financial results, which depend on a variety of factors. Starting this quarter, Lucid is including all vehicles produced at AMP-1 in its production numbers, including those vehicles being shipped to Saudi Arabia.
