If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither Lucid nor CCIV presently know or that Lucid and CCIV currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Lucid’s and CCIV’s expectations, plans or forecasts of future events and views as of the date of this communication.
